

“God commended His love toward us, in that, while we were yet sinners, Christ died for us.” Then He rose from the dead, defeating death. The moment we repent and trust in Him alone for our eternal salvation, God will forgive us and grant us the gift of eternal life.

Don't hesitate. You may leave it too late! It was reported that some of the lifeboats that left the ship early were only half full. This was because many on board refused to believe that the “unsinkable” Titanic was sinking. They perished because their faith was misguided. Don't be like them. Believe the gospel. Repent and trust Jesus Christ today, read the Bible daily, obey what you read, and God will never let you down.
